Herron asked if there were any discussion. There were none. The motion to elect the slate of officers as nominated by Howard-Barnes was approved unanimously. The Chief Executive returned the chairmanship of the meeting to the President. (Note: As a matter of Board convention, the Chair votes only when his/her vote would affect the outcome of the vote. In all "recorded" votes, the vote of the Chair appears only when it has actually been cast and when it has had an effect on the disposition of the motion. Notations of "approved unanimously" mean all members, other than the Chair, voting affirmatively.)

Motion by Dominik to approve the minutes of the January 24th, 2023 Regular Board meeting, the February 4th, 2023 Special Board meeting, and the February 10th, 2023 Executive Committee meeting. Second by Snell. Approved unanimously.

Browne introduced Sunny Branick, the Bluford Branch Manager. Branick reported that over 9,000 active library cardholders use the Bluford Branch as their home library. The Bluford Branch serves patrons in the 3rd, 4th, and 5th Districts, making its service area the largest of all the Library Branches. With only 58.41% of the population near Bluford having access to the internet at home, the Bluford Branch saw over 18,000 computer sessions in 2022, second only to the Plaza Branch. Branick described the regular programs and services provided at the Bluford Branch, including Kids' Café, Peer Navigators, access to a public phone, Video Game Club, Legal Aid, and NickiFit fitness classes. The public phone at Bluford had such a high demand that a second phone was added in December 2022. The Peer Navigator program is a partnership with University Health to provide crisis intervention via de-escalation and trauma-informed techniques to decrease incidents and reduce behaviors that lead to barriers to services. This helps to reach patrons who are in need of assistance and provide a connection and support beyond what library staff can provide. The Health Forward Foundation funded a grant of \$75,000 to provide a year of Peers at Bluford with the goal to bring the program to other branches in the future. Siragusa shared that the Library has aguired property near Bluford and addionally is in the process of acquiring three lots. The properties will allow the Library to expand services at the Bluford Branch.

During the February 4, 2023, Special Board meeting, the Board agreed that the Bylaws and Polices needed to be reviewed. Browne asked Dominik to chair a new committee to review the Board Bylaws and Policies.

Motion by Snell to adjourn. Second by Dominik. Approved unanimously.

The meeting adjourned at 5:22 p.m.

Library Board Memo No. 4612

TO: Board of Trustees, Kansas City Urban Public Library District

FROM: John Herron, Chief Executive

RE: Financial Reports for February 2023

<u>PROPOSED ACTION</u>: Move approval of the recommendation of the Chief Executive to accept the attached financial reports for February 2023.

<u>ATTACHMENTS</u>: Combined Balance Sheet (All Fund Types)

Combined Statement of Revenues & Expenditures – General Fund Combined Statement of Revenues & Expenditures All Fund Types

& Funds Held at GKCCF

Combined Statement of Revenues & Expenditures All Fund Types

Year-to-date Special Accounts Report

Statements on endowment funds held by Community Foundation: Kansas City Library Family of Funds – Statement of Financial

Position

Kansas City Library Family of Funds – Statement of Fund Activity

Summary Report on Contracted Operations

<u>SUMMARY</u>: The Combined Balance Sheet represents the Library's financial position (unaudited) on February 28, 2023. The library currently has approximately \$38 million in "Deposits and Investments" with a large portion of that amount invested in short-term securities. The "Current Year Surplus/Deficit" line displays a surplus of \$8,815,625 which is less than the year-to-date surplus of \$10,869,007 from last year primarily due to activity last year in the Capital Development and the receipt of a large bequest.

The Combined/Comparative Statement of Revenues and Expenditures (General Fund) reflects activity for the current and previous fiscal years. Operating revenues for the month totaled \$1,851,965 bringing the year-to-date total revenues to \$24,496,632 – 90.81% of budget. Total expenditures for the month were \$2,144,916, bringing the year-to-date expenditures to \$16,929,009 which represents 63.88% of budget. Library Board Memo No. 4613

TO: Board of Trustees, Kansas City Urban Public Library District

FROM: John Herron, Chief Executive

RE: Nonbinding Projected Tax Levy for Tax Year 2023

<u>PROPOSED ACTION</u>: Move approval of the recommendation of the Chief Executive to designate the Chief Executive to informally project the Library's nonbinding tax levy for tax year 2023 pursuant to the provisions of Section 137.243(1) RSMo.

<u>SUMMARY</u>: The Missouri General Assembly in its 2008 legislative session passed SB 711 that modified numerous property tax provisions. One of the provisions in SB 711 required an informal projection of a nonbinding tax levy rate be submitted to the county clerk no later than April eighth of each year. This tax levy rate projection is to be based on an assessment abstract provided by the county clerk. An overview of the initial calculation of the nonbinding tax levy will be presented at the Board meeting.

Pursuant to section 137.243(1) RSMo, the County collector is required to calculate the projected tax liability for each property for which the assessor intends to provide a notice of increased assessed valuation by April 30th by utilizing the nonbinding projected tax levies. Failure by the Library to timely provide the projected tax levy to the clerk would result in a twenty percent (20%) reduction in the Library's tax rate unless the clerk or assessor was delinquent in providing the necessary information.

Another provision of SB 711 modified the deadline to fix the final ad valorem tax rate to not later than October first for each calendar. The previous deadline was September first.

RE: Ratification and Approval of Expenditures from Dutzel's Catering

<u>PROPOSED ACTION</u>: Move approval of the recommendation of the Chief Executive to ratify and approve the purchase of catering services from Dutzel's Catering at an amount not to exceed \$107,000.

<u>BUDGET CODE</u>: 10 5560 16

<u>POLICY / STRATEGIC GOAL IMPACT</u>: The recommended action is consistent with the Library's policies on procurement (*Policy 531-Procurement*).

<u>SUMMARY</u>: In March 2022, the Library was notified that Pierpont's, our longtime catering partner, would no longer be offering catering services. In order to meet our immediate catering needs for both Library and outside events, public affairs staff along with our meeting room and event space coordinator researched and identified thirteen vendors to assess their services. From this the Library identified four vendors to contract with for one year while the Library determined needs for a longer term contract and formal bid process. The four vendors are Dutzel's, Embrace the Grape, Brancato's and All Cusine.

Staff recommends the Board authorize the expenditure up to \$107,000. \$70,000 has been spent to date with Dutzel's Catering with an additional \$37,000 estimated for the remainder of the year. Expenditures are primarily for Public Affairs events.

Founded in 2008 and based in Lee's Summit, MO, Dutzel's Catering has provided catering services for our events and receptions this fiscal year.

RE: Ratification and Approval of Expenditures from Zimmerman Productions

<u>PROPOSED ACTION</u>: Move approval of the recommendation of the Chief Executive to ratify and approve the purchase of video production services from Zimmerman Productions at an amount not to exceed \$57,000.

<u>BUDGET CODE</u>: 10 5560 16

<u>POLICY / STRATEGIC GOAL IMPACT</u>: The recommended action is consistent with the Library's policies on procurement (*Policy 531-Procurement*).

<u>SUMMARY</u>: Zimmerman Productions provides videography and livestream services for our Public Affairs events. During Covid, our events were livestreamed and recorded, and with the return of live events to Pre-Covid levels, our cost for video production has increased. Zimmerman Productions has provided videography services to the Library since they were selected through a bid process in 2016. The charge per event is \$1,000.

A special circumstances exemption from bidding is requested at this time as workflow considerations make it impractical to consider another vendor at this time. The Library plans to bid at a future date. \$42,000 has been spent to date with Zimmerman Productions with an additional \$15,000 estimated for the remainder of the year.

Founded in 2001 and based in Smithville, MO, Zimmerman Productions serves the Kansas City area with video and media production services.

RE: Ratification and Approval to Contract with University Health for Peer

Navigator Services

<u>PROPOSED ACTION</u>: Move approval of the recommendation of the Chief Executive to contract with the Center for Trauma Informed Innovation at University Health ("UH") for peer navigator services at a cost not to exceed \$75,000.

BUDGET CODE: 40 5560 00

<u>POLICY / STRATEGIC GOAL IMPACT</u>: The recommended action is consistent with the Library's policies on procurement (*Policy 531-Procurement*).

<u>SUMMARY</u>: In April 2022, the Library funded a three-month peer navigator pilot project with University Health at the Bluford branch for \$16,000. Peer navigators are certified by the State of Missouri as mental health interventionists with lived experience.

The goals of the peer navigator program are to:

- Decrease the need for security/police involvement due to patron behavior.
- Provide crisis intervention via de-escalation and trauma-informed techniques to decrease patron incidents and reduce behaviors that lead to barriers to services.
- Serve patrons in need of social services assistance and support beyond what the library staff can provide.
- Support Library staff in providing and modeling trauma-informed approaches.

Security guards and staff are not always equipped and do not have the time to handle the wide array of needs presented by our patrons. Peers are well versed in social service referrals and the resource needs of our patrons as well as help with emergency medical situations. Since March 2022, there have been 753 peer to patron engagements with the top three needs being de-escalation, resources, and support.

In November 2022, the Library signed a memorandum of understanding with University Health to extend the peer navigator program at the Bluford branch from July 11, 2022 through July 11, 2023 for \$60,060. In August 2022, the Library received a \$75,000 grant

from the Health Forward Foundation to fund a year of peer navigator services, marketing, and promotion at the Bluford branch.

The success of the pilot was evident in the increased interest in deploying peers in other Library branch locations as well as an invitation to reapply for additional funding from the Health Forward Foundation for fiscal year 2024.

Approval of the \$75,000 is requested which includes \$46,040 of expenses to be ratified and \$28,960 of expenses for the full year.

RE: Authorization to Contract with Code Koalas for web development and

maintenance services for the Library's suite of websites

<u>PROPOSED ACTION</u>: Move approval of the recommendation of the Chief Executive to contract with Code Koalas for web development and maintenance services at a cost not to exceed \$81,000.

BUDGET CODE: 10 5560 90

10 5560 82

<u>POLICY / STRATEGIC GOAL IMPACT</u>: The recommended action is consistent with the Library's policies on procurement (*Policy 531-Procurement*).

<u>SUMMARY</u>: Code Koalas has worked for the past year on updating and managing content on the Library website. The original contract approved by the Board on February 15, 2022 for \$187,288 included web development and one year of maintenance services. The term ran through February 28, 2023, with an option for up to two annual (12 month) renewals as mutually agreed by both parties.

Staff recommend renewing the contract for one year at a cost of \$81,000. Services provided under the renewed contract would include maintenance costs for KCLibrary.org and five smaller sites, security and stability upgrades on the Pendergast and tax assessment websites. Code Koalas will provide support for all our Drupal sites, not just the five subsites initially covered which means they can assist with the relaunch of KC History and support the KC Black History and forthcoming Civil Rights project. In addition, the Library is increasing our service hours to account for follow up adjustments to the new site after launch, and Code Koala's hourly rate has increased.

With over 15 years of experience, Code Koalas is a web and app development agency based in Kansas City who partners with clients and agencies to make their creative vision a technical reality. Code Koala's clients include Johnson County Public Library, Mid-Continent Public Library, Crown Center, National World War I Museum, and the Eisenhower Foundation.

Code Koalas is a local vendor.

RE: Authorization to Purchase Study Pods from John A. Marshall

<u>PROPOSED ACTION</u>: Move approval of the recommendation of the Chief Executive to purchase five study pods from John A. Marshall to be placed at Bluford, Central, Plaza, and Trails West at a cost not to exceed \$145,000.

<u>BUDGET CODE</u>: 10 5560 90

<u>POLICY / STRATEGIC GOAL IMPACT</u>: The recommended action is consistent with the Library's policies on procurement (*Policy 531-Procurement*).

<u>SUMMARY</u>: In 2022 the Library purchased two pods as a pilot project for use at Waldo and Plaza branches to explore how they worked to expand our study room options. Based on regular patron usage of these two initial pods and the feedback of branch managers, staff recommend the purchase of five additional pods. Four of the pods will be placed at branches (two at Bluford, one at Trails West and an additional one at Plaza) for patron usage. The fifth pod will be placed in the new staff space on the third floor of Central.

The pods were selected after a review of options available. Following online research and visits to two vendors, Library staff recommend purchasing the pods from John A. Marshall.

Founded in 1923 and with locations in Kansas, Missouri, and Oklahoma, John A. Marshall specializes in furnishings, flooring, and architectural products.
