The Dewey Decimal System is a way to keep items in order by subject. It helps you find what you are looking for! In this system, books are numbered, from 000 to 999, and every topic has a number. The more specific the topic, the more specific the number. For example, you can find nonfiction books about **weather** in the **551.5**s.

**How Dewey find the books?**

Editor’s page

Dear Readers,

Happy New Year! Do you have any New Year’s resolutions? A resolution that is easy to keep is to read interesting books! Need help finding an interesting book? Ask library staff. They love to help kids find good books. Like this one!

Love,
The Editor
