At Home Services Lobby Stops

We bring the library to you! A Lobby Stop is a FREE monthly library service provided to senior and assisted housing sites.

- A small, temporary, pop-up library is set up for residents in a common meeting area or lobby.
- Patrons can register for a library card and are invited to browse and check out materials on-site and return them at the next visit.
- Patrons may also request materials to be delivered to them on their next visit. The materials we offer include large and regular-print books, DVDs, and audiobooks.
