Dewey by the numbers

The Dewey Decimal System is a way to keep items in order by subject. It helps you find what you are looking for! In this system, books are numbered, from 000 to 999, and every topic has a number. The more specific the topic, the more specific the number. For example, you can find nonfiction books about **cooking** in the **641.5s**.

000-099	general stuff (computers, UFOs, world records, journalism, libraries, things like Bigfoot)
100-199	philosophy & psychology (feelings, self-help, dreams, spooky stuff)
200-299	religion & mythology
300-399	social sciences (family, money, government, voting, holidays, transportation, folk & fairy tales)
400-499	languages (dictionaries, grammar)
500-599	natural sciences (math, plants, weather, dinos, bugs, animals)
600-699	ways to use science (technology, health, cooking, pets, building)
700-799	art & recreation (crafts, fashion, dancing, music, games, sports)
800-899	literature (poetry, plays, jokes)
900-999	geography & history (pirates, flags, presidents, biographies, states, countries, family trees)

CYS zine

For kids! Vol. 3, Issue 9 Nov. 2021

I SPY yummy new food books, just in time for Thanksgiving!

Pop artist Andy Warhol (1928-87) was famous for his soup can paintings. "Warhol said anything is art if we say it is, no matter who makes it."

Really Amazing Magic Squares

In a Magic Square, each row, column and diagonal will add up to the same number, called the Magic Constant. Can you figure out what numbers are missing here? Can you create your own Magic Square?

15	8	13	?	?
13	?	14	?	?
11	?	?	?	11

Extra Amazing Magic Square:
Artist Albrecht Dürer created a Magic Square where the four outer corners, the four center numbers and the four numbers in each quarter are all equal! What number is it?

16	3	2	13
5	10	11	8
9	6	7	12
4	15	14	1

Play a bunch, then eat lunch!"

This month is ...

- November is National Native American Heritage Month.
- Nov. 1: Day of the Dead (J 394.266)
- Nov. 4: Diwali starts. (It's a festival of lights.) (J 294.5)
- Nov. 7: Daylight Saving Time ends. "Spring forward, fall back." Your clock will go back one hour!
- Nov. 11: Veterans Day (J 394.26)
- Nov. 14: National Pickle Day
- Nov. 15: Young Readers Day
- Nov. 25: Thanksgiving. (The library closes at 5 p.m. on 11/24 and all day on 11/25.)
- Nov. 28: Hanukkah starts. (J 296.4)

Storytimes: Storytime is restarting in person at the Central Library at 10:30 a.m. Nov. 16, 23 & 30! It's also online this month at 7 p.m. Tues-Thursday, Saturday & Sunday at facebook.com/kclibraryouth.

You can listen to Dial-A-Story anytime at 816-701-3456 or www.kclibrary.org/kids/dial-story.

This month in CYS

Systemwide, in-person/online activities include: **Kids Café** and **Make Do, Tell**. For details on dates, times and places, call 816-701-3400 or go to kclibrary.org/events-activities-calendar.

Dino-Thanksgiving by Lisa Wheeler

Dear Readers,
Are you hungry for some great new books to read? So are we! Good thing the library is a free all-you-can-read buffet! So take seconds and thirds and fourths! And if you like to cook, many of the books in this zine have recipes! Yum! Love, the Editor
PS: Happy Thanksgiving! We are thankful for you, and thank you for reading!

Funny side up

Q: How do apples text each other?
 A: With their pie-phones!

Q: How are you supposed to talk in the apple library?
 A: With your incider voice!

Q: What did the apple say to the pie baker?
 A: Use cherries instead!

What a crab apple!

Odd couples: Sugar & Salt

You will need:
 2 strawberries
 1 pinch of salt
 Notebook & pencil

1. Eat a strawberry. How does it taste? Sweet, sour, salty, bitter or savory? Jot your findings in your notebook.
2. Dip the second strawberry in salt, so there is salt on it. Eat it, observe, jot your findings.

Surprised? Tongues have extra taste buds for sugar that activate only when salt is also present. That's why salt makes sweet things taste sweeter. You might re-try this experiment with apples and cheddar cheese or chocolate squares and pretzels. (Yum!)
