Dewey by the numbers

The Dewey Decimal System is a way to keep items in order by subject. It helps you find what you are looking for! In this system, books are numbered from 000 to 999, and every topic has a number. The more specific the topic, the more specific the number. For example, you can find nonfiction books about rocks in the 552s.

Little Kids First Big Book: Rocks Minerals and Shells
 By Moira Donohue
 J 552 D68L
 8 or J ebook

Ultimate Rocklopedia
 By Steve Tomecek
 J 552 T65U

Sept. 5 is Pet Rock Day. This is Trixie.

552s

000-099	general stuff (computers, UFOs, world records, journalism, libraries, things like Bigfoot)
100-199	philosophy & psychology (feelings, self-help, dreams, spooky stuff)
200-299	religion & mythology
300-399	social sciences (family, money, government, voting, holidays, transportation, folk & fairy tales)
400-499	languages (dictionaries, grammar)
500-599	natural sciences (math, plants, weather, dinos, bugs, animals)
600-699	ways to use science (technology, health, cooking, pets, building)
700-799	art & recreation (crafts, fashion, dancing, music, games, sports)
800-899	literature (poetry, plays, jokes)
900-999	geography & history (pirates, flags, presidents, biographies, states, countries, family trees)

12
 Healthy choices
 Icki Watch out for tiny deer ticks!
 Especially if you go for a hike in shady, grassy and leafy areas. Ticks are a pain to remove and can carry diseases. "Prevention is key: Tuck your pants into your socks so they can't get under your clothes. (Ticks) hang out on tall grass, and when you walk through, they latch onto you. So try to stay in the middle of the trail if you can." Ticks dislike spray with DEET.

13
 Puzler
 True or False?
 1. Sharks don't have bones.
 2. The earliest known shark lived 400 million years ago.
 3. Sharks cannot tell the taste difference between sweet, sour, salty or bitter.
 4. A shark uses its nostrils for breathing and smelling.
 Answer: 1. True, only cartilage. 2. True, and it was called Elegestolepis. 3. True, which might be why they eat garbage. 4. False, smelling only. When a shark smells food, it turns and swims toward it!

Dear Readers, Hispanic Heritage Month starts Sept. 15. We have lots of great new books to celebrate! And if you liked "Coco," the movie, you might also like the brand new chapter book *Loteria* by Karla Arenas Valenti, coming out this month. It's an adventure tale that spins around the traditional game of Loteria, which is a lot like bingo, but with colorful picture cards. Check it out! Love, the Editor

 Telephone Tales
 J EASY RODARI

Turtle in Paradise
 By Jennifer L. Holm
 GRAPHIC FICTION
 HOLM
 Turtle is too smart and tough to let life run over her—even at 11! (Now in graphic fiction form!)

What's new?

Nonfiction notebook

I see! "Eye color depends on the coloring of the eye's iris and specifically from it containing a pigment called melanin. The iris, like fingerprints, is unique. Its scans are used for identification."

The rarest eye color is green. Only about 2% of the people on our planet have it.

From: *Sight*
 By Romana Romanyshyn
 J 152.14 R76S

Your Life Matters
 By Chris Singleton
 J EASY SINGLETON
 "Oh child, your life matters more than you can possibly ever know."

Lost Cities By Giles LaRoche
 J 930.1 L32L

You can visit lost cities of the world in this big cool book!

From: *More Laugh-Out-Loud Jokes for Kids*
 By Rob Elliot
 J ebook

Q: What does a pig use when it has a rash?
 A: Oinkment!

Q: What is a sailor's favorite kind of book to read?
 A: Ferry tales!

Q: Why was the potato chip mad at the pretzel?
 A: Because it was insulting him!

Funny side up

From: *The Science and Technology of Marie Curie*
 By Julie Knutson
 J 540.9 K74S

- Question: What do we want to find out?
- Research: What is already known about it?
- Prediction: What do we think the answer is?
- Equipment: What supplies do we use?
- Method: How do we test our idea?
- Results: What happened?

"Every good scientist keeps a science journal! Scientists use the scientific method to keep their experiments organized. ... Keep track of your observations and record each step."

Get a notebook!

From: *It's Raining Tacos!*
 By Perry Gripp
 J EASY GRIPP

Wee poem
It's Raining Tacos!
 by Perry Gripp

It's raining tacos, from out of the sky.
 Tacos, no need to ask why.
 Just open your mouth and close your eyes.
 It's raining tacos!
 It's raining tacos, out in the street.
 Tacos, all you can eat.
 Lettuce and shells, cheese and meat.
 It's raining tacos!
 Yum Yum Yum Yum Yumity Yum!
 It's like a dreeeeeeeeeeeeeam!!!!!!!
 Yum Yum Yum Yum Yumity Yum!
 Bring your sour cre-e-e-eam!
